Use a Cloth Face Covering to Protect Others

- Wear a face covering to protect others from the virus that causes COVID-19 in case you're infected but don't have symptoms
- Keep the covering on your face the entire time you're in public
- Don't put the covering around your neck or up on your forehead

All numbers reflect status at time of release and confirmed cases only.

Deaths are included in the confirmed cases.

All numbers displayed are provisional and subject to change.
