# General Considerations

- ▶ High touch surfaces
  - ▶ What are those surfaces?
  - ▶ What will the cleaning schedule be?
  - ▶ What will you use to clean?
  - ▶ Will the cleaning be tracked?
- ▶ Restrooms
  - ▶ Available to employees and/or public
  - ▶ Cleaning:
    - ▶ Cleaning solution,
    - ▶ Cleaning schedule,
    - ▶ Tracking
- ▶ Timeline
  - ▶ General timeframe of reopening
  - ▶ Any progression of lessening restrictions
  - ▶ If progression, then timeframe or explanation of when progressing
- ▶ Additional Comments
  - ▶ Provide any additional steps that will be conducted
  - ▶ Additional cleaning processes
  - ▶ Additional protective measures

# Legalities

- Check that insurance coverage is active and in force
  - Liability
  - Worker's compensation
  - Any additional insurance
- Seek guidance and/or approval from any
  - State or Federal oversight authority
  - Regulatory agency, such as the
    - Department on Finance and Professional Regulation
    - Illinois Liquor Commission
- Seek information from the above on possible enforcement action
- Businesses have the right to refuse service to and request an individual to leave their property if that individual is not complying with the guidelines of that business.

# Resources

## Symptoms

<http://www.dph.illinois.gov/topics-services/diseases-and-conditions/diseases-a-z-list/coronavirus/symptoms-treatment>

<https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html>

## Contact Tracing

Contact tracing is part of the process of supporting patients with suspected or confirmed infection. In contact tracing, public health staff work with a patient to help them recall everyone with whom they have had close contact during the timeframe while they may have been infectious. Public health staff then warn these exposed individuals (contacts) of their potential exposure as rapidly and sensitively as possible.

## Social Distancing

► Phases

## RESTORE ILLINOIS

A Public Health Approach To Safely Reopen Our State

Phase 1 Rapid Spread	Phase 2 Flattening	Phase 3 Recovery	Phase 4 Revitalization	Phase 5 Illinois Restored
<p>Strict stay at home and social distancing guidelines are put in place, and only essential businesses remain open.</p> <p>Every region has experienced this phase once already and could return to it if mitigation efforts are unsuccessful.</p>	<p>Non-essential retail stores reopen for curbside pickup and delivery.</p> <p>Illinoisans are directed to wear a face covering when outside the home and can begin enjoying additional outdoor activities like golf, boating &amp; fishing while practicing social distancing.</p>	<p>Manufacturing, offices, retail, barbershops and salons can reopen to the public with capacity and other limits and safety precautions.</p> <p>Gatherings of 10 people or fewer are allowed.</p> <p>Face coverings and social distancing are the norm.</p>	<p>Gatherings of 50 people or fewer are allowed, restaurants and bars reopen, travel resumes, child care and schools reopen under guidance from the Illinois Department of Public Health.</p> <p>Face coverings and social distancing are the norm.</p>	<p>The economy fully reopens with safety precautions continuing.</p> <p>Conventions, festivals and large events are permitted, and all businesses, schools and places of recreation can open with new safety guidance and procedures.</p>
